Unexpected Changes

SITUATION

2 weeks before the distribution of the 2nd Issue of the Newspaper.
There was a sudden cut back in the budget for the printing.

TASK

Adjust the whole layout. Decide on either to reduce the size or reduce the content of the Newspaper.

ACTION

Brain stormed with the team, came up with a decision and worked together to adjust everything and to finish it on time.

RESULT

We were able to finish all the adjustments by reducing the size. without sacrificing the content and effort of all the editors who put their work into the Newspaper.
