III- PAST WORKS IN WEB DESIGN

I have worked for more than seven (7) years as computer analyst and design engineer, web and online platforms developer. I have demonstrated excellent practical skills in web design using latest technologies which provide beautiful designs as well as responsive and high performance websites. The technologies I use include: **HTML, CSS, JAVASCRIPT, JQUERY, VueJs, PYTHON (DJANGO), PHP.**

Here are examples of works I have already done as far as web sites are concerned:
