Profile

Jamal Slaem, born in 1979, in Lebanon. Raised in Saudi Arabia, Jordan and Lebanon. BA qualified dynamic Management Professional with 15+ years of expertise in the provision of effective logistics, sales, operations management and administrative support solutions.

The Graphic design is my adventure to the new world of colours and shapes. Imagination is my way to success in the artwork.

A highly responsible person, following graphic design related roles for which will employ the technical and problem-solving skills developed through study and experience.

The ability to self-motivate allows me to perform various tasks at once showing myself to be fully committed, organised in working under pressured situations. Efficient in assuming responsible tasks whilst also strive in following latest world trends.

Typography	16-17

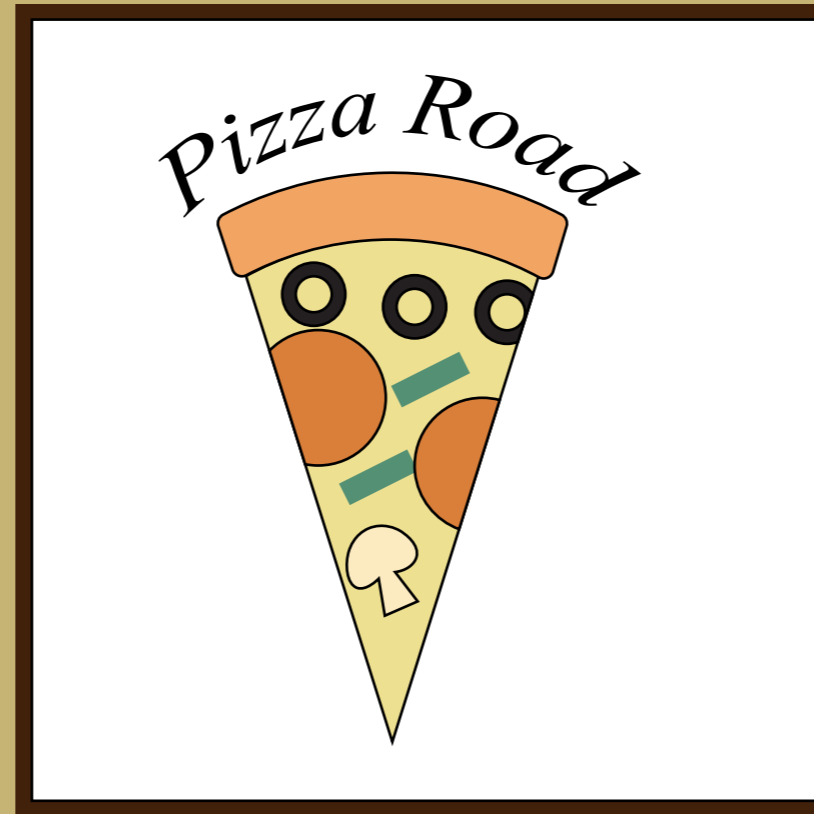

LOGO DESIGN

Description

Logo reflects the brand name. The logo is the most important part of every brand and must be made as eye-catching. When we look to any logo, we recognize the company name and what it makes.

We make the light

BUSINESS CARD

Description

Business cards are cards bearing business information about a company or individual. They should be preserved from the person who will receive it, but to happen that, card should be interesting and to attract the attention of the individual. I

CARTOON CHARACTERS

Description

This is where I make the faces speak and show their feelings. I have approval from cartoon network to make Adventure times characters. I can only sell the characters design on Red bubble website. I created many characters, still want to make more.

Adventure times characters

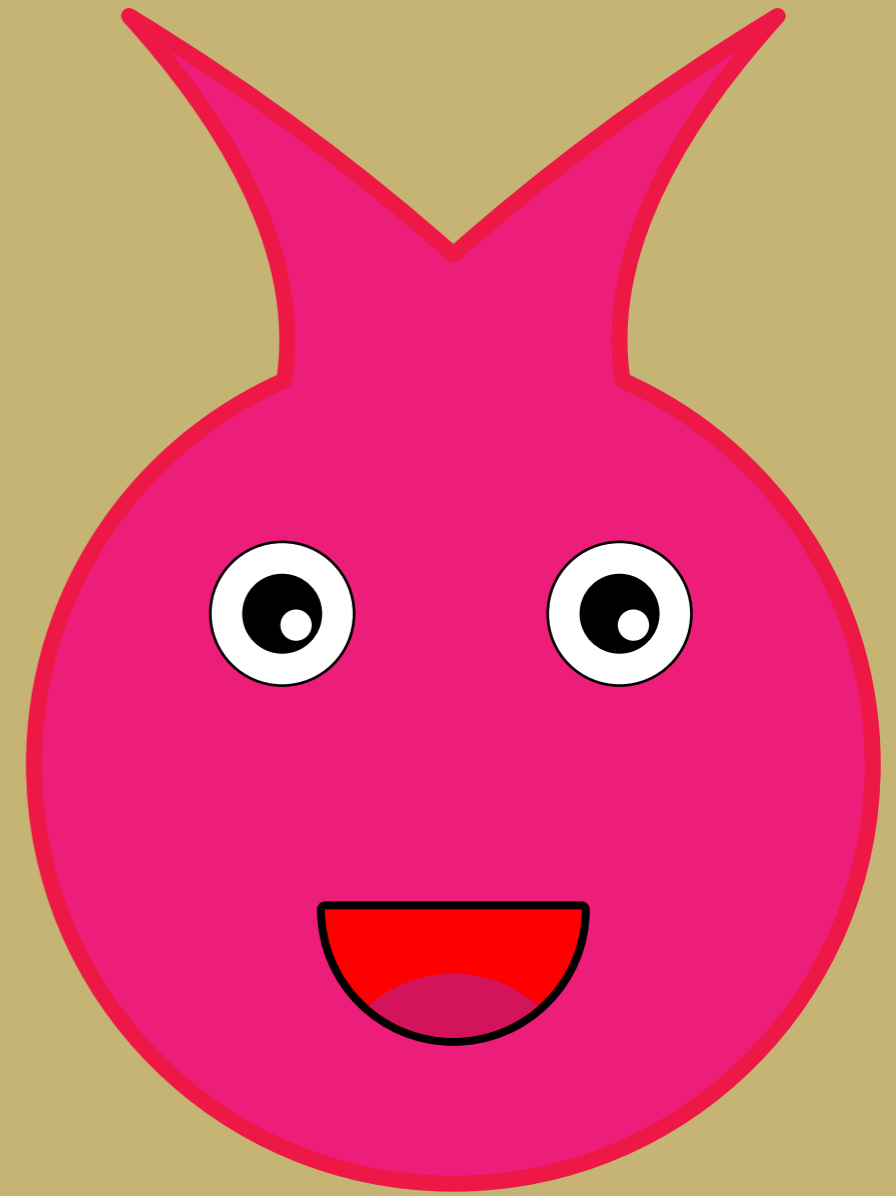

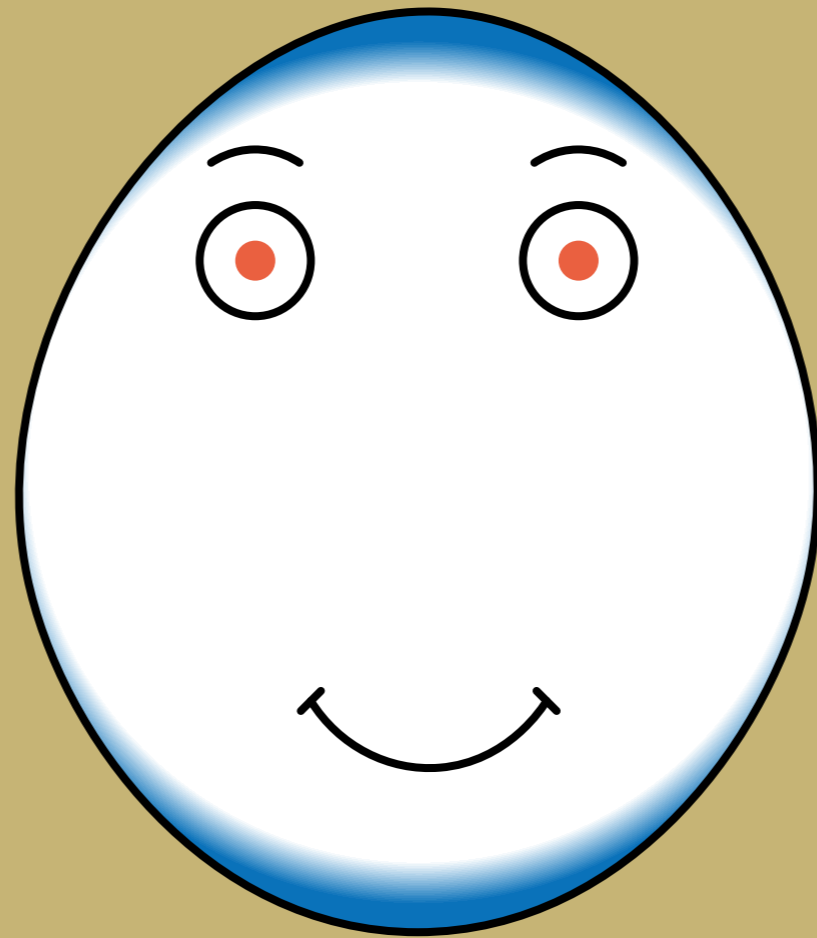

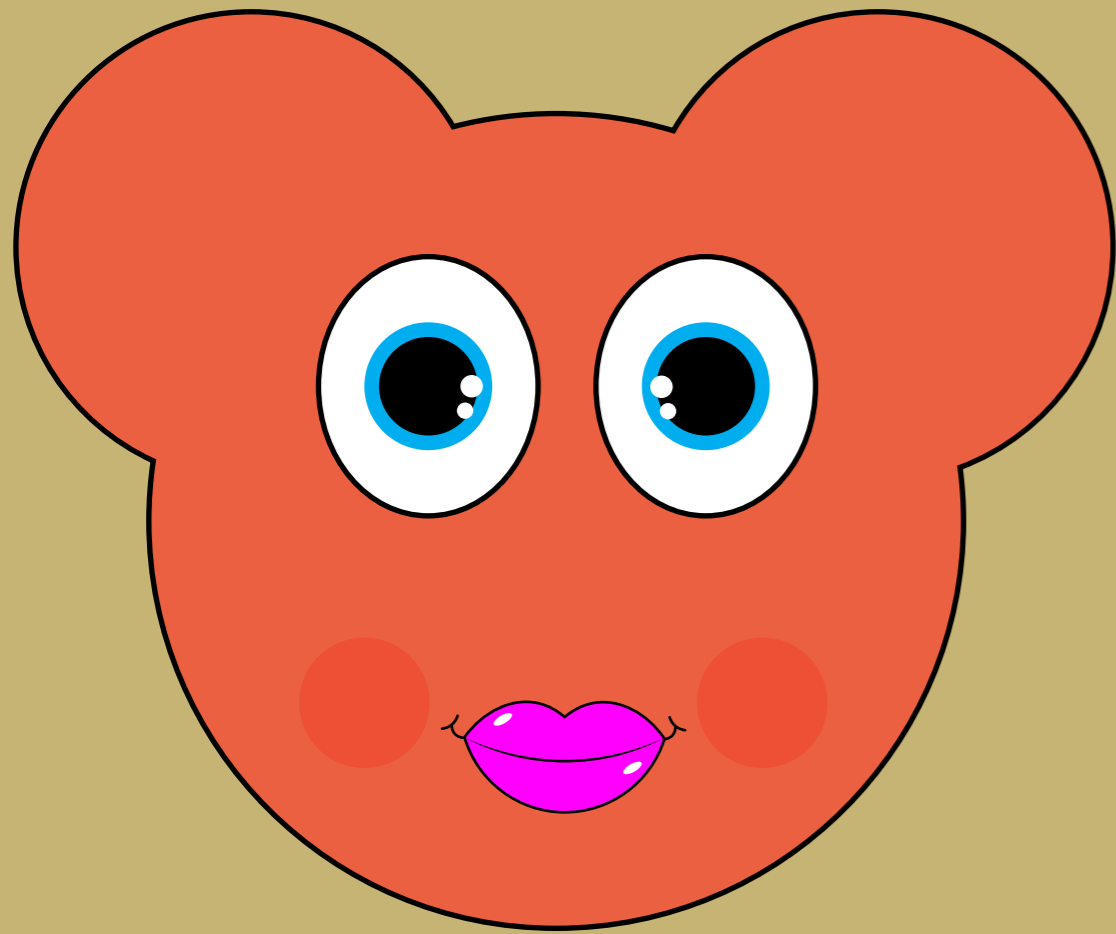

Created from the imagination

Emoji

Description

This other side to show what is the feeling. The Emoji is very famous in anywhere . It's very famous. We see them everywhere around us.

Holidays

Description

In the holidays always there are special characters. Those characters come every year in different time. It was great to made some in 2018. I hope, I will do more in 2019.

Day of the dead

Thanksgiving

T-shirt

Description

I sell my design through different websites. I upload the design, and they do the rest of the work (selling, printing , delivery). I deal with different companies like Amazon and Red bubble.

Typography

Description

Sometimes if you want to write something, the letter shape makes you feel different. It is an art, has a special charm and a reflection on the person. We look at the shape of the letters and then we remember the name of the brand or which occasion is

Happy
valentine's
day

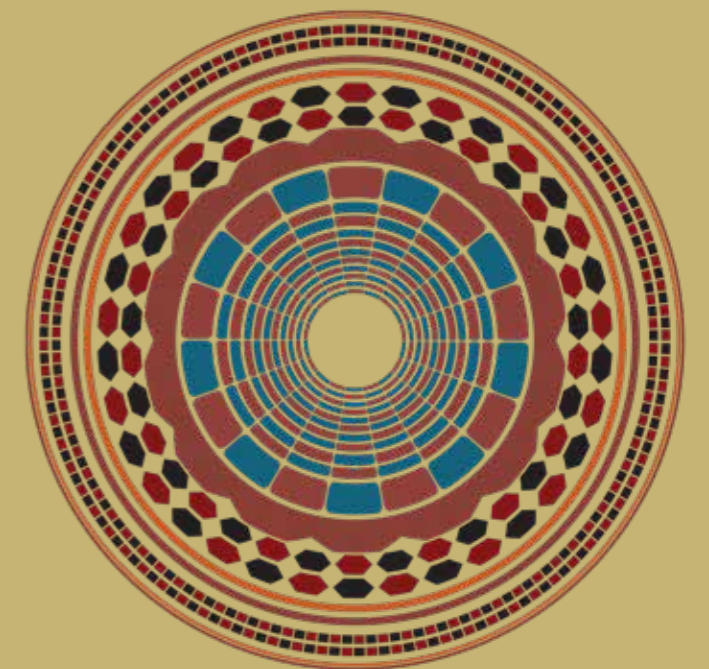

Several pink hearts of various sizes are scattered around the text. One large heart is at the bottom left, and several smaller ones are at the top and right.

Every day
Is your day
Dad
