Aulion's Performance  
(ONOFFFESTIVAL 2018)

**Client**  
Aulion

**Year**  
2018

Last year, we worked for Aulion's musical performance in ONOFFFESTIVAL 2018 (hosted by Ismaya). Aulion is one of the most talented Influencer we ever worked with. We designed the visual concept for the whole performance. The challenge is about dualism in our society. We had a lot of "render game" here. In the end, claps and cheers from audience is the best thing we won't forget.
