To Whom It May Concern

It is my pleasure to recommend Rika Rosewarne for Japanese and English written and verbal translating projects.

I am Narelle Muir Company President at SN GK (SN Pty Ltd) in Japan. I have known Rika for four years, and during this time Rika has translated multiple documents for our company and has also assisted with verbal translation on our behalf with banks, legal aides and Japanese immigration.

Rika is one of the most talented translators I have come across in my professional career. She possesses a unique combination of intellectual acumen, attention to detail, and passion for linguistic issues. Rika followed all instructions required and completed our companies translation projects diligently and on time.

If my experience with Rika offers any indication, I have no doubt that she will excel both personally and professionally with assisting your company with translating.

Sincerely
